

*Hello! We at the Way Counseling Dept. would like to take this time to reach out and reach into your hearts with encouragement and wisdom that you can apply or share in ministry, your workplace, or your home.*

Inner Healing is a ministry that sounds more mystical than practical, but it is more easily obtained than most think and is a part of God's heart and purpose for us.

**Isaiah 61:1 (NKJV)** *"The Spirit of the Lord God is upon Me, Because the Lord has anointed Me To preach good tidings to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives, And the opening of the prison to those who are bound;*

In the Way World Outreach Inner Healing and Deliverance is a ministry that is preached and practiced. We have a Freedom Class that teaches God's truth around many areas of injury and stumbling for believers and un-believers alike. **John 8:32 (NKJV)** *And you shall know the truth, and the truth shall make you free.*" We also have specific ministries that provide aspects of inner healing like Grief Ministry (for those who have experienced loss) and Recovery Ministry (for those struggling with the bondage of addictions of any kind).

The ministry most engaged with helping individuals, marriage and even families obtain inner healing is our Lay Biblical Counseling Ministry. Here those in need are assigned individual agents of care and ministers of God's Grace to walk through an area of injury mentally, emotionally, and spiritually.

At **SALVATION** we are all given access to the redemptive work of Christ, unfortunately, we don't all have the ability within ourselves to access it. This is why Christ gave us the Holy Spirit! The one who would give us the strength to seek and receive God's goodness for our lives. The Spirit helps us **SURRENDER** our will and ways so we can be receptive and obedient to God's work of **DELIVERANCE** (saving us from our torment, pain, past, etc. by removing its authority/hold on us). Many of us remain hurting after salvation and even sometimes after deliverance, but it doesn't mean God's work was of no effect...it means we are in need of some emotional and spiritual R & R. We need **INNER HEALING!** In Isaiah 61 He said He came to heal us! So let him, "Be still" like it says in psalms 46. After healing because we may have needed to take some weight off, sit down, and just receive we will need **STRENGTHENING** so that we don't get reinjured in that same area. Now we are ready to **MINISTER** in the area we were previously bound, injured, or trapped in. We can help other get free too!

The process of ministering inner healing is motivated by compassion and understanding. Hurt people may need cycles of inner healing and deliverance or healing and strengthening in order to be strong enough not to allow the trespass entrance again, but to do the work of ministry instead. Have patience, trust God, and let Him work Inner Healing through you by the Power of the Holy Spirit!

## "Peace for Today"

Three different times I begged the Lord to take it away. <sup>9</sup> Each time he said, "My grace is all you need. My power works best in weakness." So now I am glad to boast about my weaknesses, so that the power of Christ can work through me.  
**2 Corinthians 12:8-9**

"I love this song because it is so easy for us to pray for deliverance from difficult situations. Unfortunately, we don't always get delivered from them right away. Sometimes that thorn stays longer than we want. This song reminds me that in every situation, God is good and gets the glory. I want my whole life to prove that God is good."
