

# 1728 GOAL CHECK-IN

## VISION & GOALS

- **Vision:** 1,728 Discipleship Groups
- **Current:** 1,109 Discipleship Groups

## The Way's Current Goal: All DG Leaders Launch 1 New DG

- Each DG Leader equips one person to start their own group in the next 30 days. Together, we're building something that multiplies and changes lives. This week write down the name of the person you will be building to launch their own DG.

## Multiply Yourself

- As we connect today, it's important to remember that the mission we're on is about multiplication. To equip each of us to lead and to raise up others who can lead as well. Every one of us has been called not just to be a disciple, but to make disciples.
- Imagine the ripple effect when each person in your group steps into leadership and raises up someone else to do the same. When we multiply leaders, we multiply the impact of the gospel. The power of a group isn't just in how many people are reached, but in how many leaders are developed. By raising up leaders, we are building a lasting legacy that extends far beyond us.
