## I WILL BE READY WHEN JESUS RETURNS!

Base Verse: Acts 13:25 NLT

The message about Jesus, the Good News, was spreading fast! God told Paul and Barnabas that they had been picked for the special work of spreading the Good News everywhere. The men traveled to a place called Antioch and began to encourage everyone listening. They reminded everyone about what God had done over many years for those who love Him. Paul even reminded them of John the Baptist's words, *'Do you think I am the Messiah? No, I am not! But he is coming soon...'* Paul wanted everyone to know how important preaching the Good News is because Jesus is coming back and we must be ready.

This passage teaches us that Jesus is the one God promised, and we are part of God's big plan to share His love with others! Jesus is your Savior!
