GODS'S BIG PLAN

Acts 9:1-9 NLT

Last week we learned that Saul was a man who didn't like Christians and wanted to stop them from telling people about Jesus. But one day, while traveling to Damascus, a bright light flashed, and he heard Jesus speaking to him! Saul fell to the ground and became blind. For three days, he couldn't see, but God was changing his heart.

This story teaches us that God can *change* anyone, no matter what they've done. It also reminds us to *listen* to God because He speaks to us in different ways. And just like Saul, the bible tells us that God has a special *plan* for each of us, even when we don't understand it right away!

HOW GOD CAN CHANGE US, GUIDE US, AND USE US!

After reading the summary above, fill in the blank below

Saul was mean to Christians, but God _____ his heart. No one is too bad for God's love—He can help anyone have a change of heart.

Saul _____ when Jesus spoke to him. We can listen to God by praying, reading the Bible, and learning from others.

Even when Saul was blind, God had a _____ for him. God has a special plan for each of us, even when we don't understand everything.

What was God doing in Saul's heart for the three days that he was blind?

If you want to listen to God's instructions, where can you find them at?

Even when things are confusing, how can you trust that God has a plan for you?

Think ABOUT IT!

Have you ever felt like you've messed up too much to change or wondered if God could use you? Saul probably felt that way when he realized Jesus was real. He knew he made bad choices and might have thought he couldn't be forgiven. But God had big plans for him, and Saul trusted God's forgiveness. You can trust that God forgives you too because God's word promises us he will!

What are two ways we know God will forgive us?

The words below create two sentences that give you the answers to the question. Find the words, then put them into sentences!
