## **THE POWER OF THE LORD IS WITH ME**

In Acts 11, news spread quickly about Peter's actions with Cornelius, a Gentile. Many Jewish believers were upset that Peter had preached the gospel to a Gentile and even baptized him and his household. However, when Peter explained that it was God's will for all people to be included, they accepted it and praised God for His guidance. Following this, Jewish believers began traveling to tell other Gentiles about Jesus Christ, offering them the opportunity for repentance and eternal life. Their boldness and faithfulness were empowered by the Holy Spirit, and as a result, many Gentiles turned to the Lord.
