

Week 19

May 4th- May 10th 2025

## GOD'S LIGHT LIVES IN ME!

Base Verse: John 1:5 NLT

This week, you will start reading the book of John in the Bible. John, one of Jesus's disciples, wrote this book to show that Jesus is God's Son, and that by believing in His death on the cross and accepting Him as Lord, we can receive eternal life.

In John 1, it talks about Jesus being the light. Think about being in a dark room and turning on a flashlight – the light helps you see and feel safe. Jesus is like that light. He helps us see what is good and true, even when things are hard. The best part is that nothing can stop Jesus's light. He is stronger than any darkness or bad thing in the world!

JESUS  
HIMSELF SAID  
"I AM THE  
LIGHT OF THE  
WORLD."

## ALL ABOUT JESUS...

JOHN 1:1

WHO IS THE  
LIGHT?

WHAT DOES JOHN 1:1  
TELL US ABOUT  
JESUS?

CAN THE DARKNESS  
AROUND US EVER  
BEAT THE LIGHT?

## LIGHT VS DARK-WHO WINS?

When Jesus says He is the Light of the world, He means no darkness — not fear, sin, sadness, or evil — can ever beat Him.

Light is always stronger than darkness. Even the smallest light pushes darkness away!

## SHARING THE LIGHT OF JESUS WITH OTHERS

DISCUSS THE DIFFERENT WAYS OF SHARING THE LIGHT OF JESUS WITH OTHERS. WHICH ONE WOULD NOT BE EASY FOR YOU TO DO?

**Be kind even when others are not.**

→ Kindness shows Jesus' love shining through you!

**Tell the truth even when it's hard.**

→ Truth is part of God's light!

**Pray for people who are sad or hurting.**

→ Prayer brings Jesus' light into dark places!

**Forgive when someone hurts you.**

→ Forgiveness is a bright light that pushes away anger!

**Invite friends to church or tell them about Jesus.**

→ Sharing Jesus with others spreads His light everywhere!

**Be joyful and thankful in everything you do.**

→ A joyful heart shines like a bright light for everyone to see!

When we believe in Him and read our bibles, His light shines inside us, and we become little lights in a dark world, helping others see His love too.
